[This table includes all incorporated places having 2,500 inhabitants or more, so far as they have been returned by the census enumerators separate from the population of the townships, precincts, districts, etc., of which they form a part. It also includes two unincorporated places in Alaska, one unincorporated place in Hawaii, and all towns in the New England states which have a population of 2,500 or more, but which do not contain an incorporated place with that amount of population.]

The designation "native white—native parents" comprehends all native white persons having either both parents native born, one parent native born and one parent unknown, or both parents unknown, while the designation "native white—foreign parents" comprehends all native white persons having either one or both parents foreign born.]
