¹⁰ OHIO.—Because of numerous changes in boundaries, no comparison of population by districts can be made. The following annexations to Wheeling have been made since 1910: Parts of Richland and Ritchie districts; part of Triadelphia district, including Edgewood, Elm Grove, Leatherwood, Patterson, Pleasant Valley, and Woodsdale towns; and that part of Washington district, including Fulton town, formerly outside city limits. Wheeling city was not returned by districts in 1920; the total population of Richland, Ritchie, and Triadelphia districts can not, therefore, be shown separately.

¹¹ PRESTON.—Part of Reno district, comprising part of Tunnelton town, annexed to Kingwood district since 1910.
