Sutton Reporter: Relatives and friends received the announcement this week of the marriage of Otto Thorsgard and Miss Florence Olson from Hammond, Wis. The ceremony was performed in Minneapolis Thursday of last week, and the newlyweds will be at home on the farm near Sutton after March 15. The groom as all know here, is one of our most prosperous farmers. The bride is known to a number of the folks southwest of town, as she has been a visitor in that community. There will be many congratulations to offer when the young couple returns home.
