States Attorney Tufte and wife, Mr. and Mrs. Ole Feiring and Rev. T. E. Sweger were entertained at six o' clock dinner at the hospitable home of Mr. and Mrs. Oscar Hoff Thursday evening. It happened to be the fortieth anniversary of Mr. and Mrs. Feiring's wedding Had their many friends only known it, they no doubt would have taken the celebration of the event into their own hands. May there be many returns of the day to this worthy pioneer couple and may they live to enjoy the Golden Anniversary.
