

Burke-Winger

Last Monday afternoon, November 18, 1912, at Hope, N. Dak., occurred the marriage of Mr. John T. Winger, to Miss Hazel Burke, Father Hart officiating.

The young people made a complete steal on their friends at this place when they left on Monday morning with Lippert's auto from McVille. It was understood that they were not to leave until Wednesday or Thursday but it appears rumors were not true, as we were all "stung."

The groom is the manager of the Imperial Lumber yard at this place, and has been here over a year. He has been in the employ of the company for several years. John is an excellent musician and is a member of the Tolna orchestra.

The bride is the daughter of Mrs. Geo. Halverson, of this place, and is well known, having lived here all her life and taken an active part in all social work. She is also a talent-

ed musician.

After the ceremony the happy couple left on No. 196 for an extended trip through the eastern states, and upon their return will make Tolna their home.

We wish to join their many friends in wishing them success and happiness on their long journey over the great sea of matrimony.—Tolna Tribune.

Binford was an exceptionally busy point last Saturday and until late in the evening the town was crowded with people who came in to take advantage of the many bargains to be found in Binford's up-to-date stores. The day was a little raw but that didn't keep them away and from every direction a string of teams kept coming until it looked like a fourth of July celebration. Binford is busy every day this time of the year, but last Saturday more people than usual were here. From now on until after the holiday season, Binford will be the busiest point in this community.
