

Mrs. G. G. Craft passed away at her home here last Saturday afternoon. She had been an invalid for years from paralysis and death only, could relieve her of her sufferings and tribulation in this vale of tears. Deceased was born in Illinois on July 14, 1862, and at the age of 17 years was married to George G. Craft, to whom were born two children, a son who lives in Iowa, and a daughter, who died years ago. In 1903 the family came to Griggs county and settled on a farm five miles west of Binford, later moving to McHenry, where they were in business until last spring when they came here. The remains were taken to Iowa on Monday for burial. The sympathy of the community goes out to Mr. Craft in his bereavement.
