

Mrs. Swen Fors Dead.

The people of Binford and community were shocked to learn of the sudden death of Mrs. Swen Fors, which occurred at the Northwood hospital, last Friday morning.

Mrs. Fors had been taken to the hospital on Monday for an operation for appendicitis, and apparently withstood the ordeal successfully. In a delirious state, and unknown to the attendants, she arose and made her way to the window, from which she hurled herself to the ground.

Word was immediately sent to her husband, who resides on a farm, north of Cooperstown. Before he could arrive at her bedside, life was extinct, without having regained consciousness.

Deceased was 29 years of age and was born in Romness township. She leaves, besides a husband, five children, the youngest being six weeks old and the oldest nine years.

The funeral was held Sunday in the Ringsaker church in Romness and interment made in the church cemetery. Rev. Overbo officiated.

The sympathy of a whole community goes out to the bereaved husband and children, who have lost a loving help-mate and fond mother.
