Steve Rorvig was summoned to Fargo last Saturday by the serious condition of his sister-in-law, Mrs. Ed Rorvig. She died that night of pneumonia, following an attack of influenza. Mr. and Mrs. Ed Rorvig had gone to Fargo to spend Thanksgiving with Mrs. Rorvig's parents, where she was taken ill on Sunday. Mr. Rorvig also contracted the disease but his condition was not serious. Brief funeral services were held at Fargo Monday and the remains taken to Steele for burial. Deceased leaves one son, Bruce, two daughters, Jean and Helen, and her husband to mourn her death and to them the sincere sympathy of this community is extended in their hour of sorrow.
