

Hannaford Enterprise: Word was received here Sunday, Oct. 26, that O. E. Thoreson had died that morning at a sanatorium in St. Paul. Mr. Thoreson had been sick for some time, though, it was not realized until recently that his illness was of such a serious nature. The remains arrived here this morning, and funeral services will be held in the Lutheran church Wednesday afternoon, after which the body will be taken to the old home in Minnesota for interment.
