

Knauff-Stromme

A marriage of interest to the people of Binford and vicinity was solemnized in St. Paul, on Wednesday, September 22, 1920, when Miss Ida Stromme and Victor Knauff were united in the holy bonds of matrimony.

The bride in the above event is the youngest daughter of Mr. and Mrs. Anton Stromme, popular and well to do farmers of Bergen township, north of Binford, where she has grown to womanhood. She is an accomplished young lady, with a lovable character and many admirable traits. The groom comes from Pennsylvania. "Candy," as he is familiarly called by his friends, has visited here for several years, coming west to play ball during the summer. His stellar work on first base has helped win many games for the team he served. He also did his bit for his country during the war when he served two years in France.

Mr. and Mrs. Knauff left immediately after the ceremony for Mercersburg, Pennsylvania, where the groom makes his home.

The many friends of these fine young people will join The Times in extending best wishes for a long and happy married life with few of its sorrows.
