

had been made.

A pleasant surprise party was given Tuesday in the lodge rooms to Mr. and Mrs. D. F. Rice, and Mr. and Mrs. Milton Grigsby, by a large number of their friends. The occasion of this affair was the wedding anniversary of the two popular couples, which happens to fall on the same date. The former have been married twenty-five years and the latter twenty-eight. Whist was the diversion of the evening, eleven tables being in play. Dr. E. F. Ringlee and Mrs. F. G. Lewis captured head prizes, and Margeret Ristad and A. W. Ringlee were consoled with toys. An elaborate buffet luncheon was served at midnight, after which card playing was resumed. Miss Shepard, in behalf of the party, very ably presented the honored guests with a beautiful rocker each, as a token of the esteem in which they are held in the community.
