

American Legion Post Organized.

A post of the American Legion was organized in Binford last Friday evening by the returned soldiers. A charter with about fifteen names on was secured some time ago but the real work of organizing didn't take place until Friday evening. A membership drive will be carried on the next few days which will result in nearly every returned soldier in this vicinity being signed up as a member.

The officers elected at the meeting are: Post Commander, Olaf Knapp; Vice Commander, Olaf Malde; Adjutant, O. A. Alm; Finance Officer, Emil Olson; Post Historian, A. S. Alfson; Chaplain, Edwin Dahl.

The post here will be known as the Jonas Helland Post of the American Legion. Jonas Helland was one of the boys from here who died in France during the world war and the post was named after him.
