

LOCALS BLANK HATTON BUNCH

Binford Ball Team Handed Hatton a Shut-out last Sunday at Hatton.

Binford rushed their heavy artillery into position in the fifth round of last Sunday's game at Hatton, and cinched the game. There was nothing doing before and after that.

Meichsner led off with an out to center. Ellingson and Thorn singled, Leininger cleaned up with a three-bagger to right, Alfson struck out, Ehlers followed with another three-base smash to left and scored on Ringlee's screeching single to center. Peterson flew out to center. When the matinee ended the locals had compiled four runs. This clubbing made Fiddler so groggy that he was jerked from the mound and replaced by Johnson.

While the Binford boys were fattening their batting averages, "Fats" Borchardt was toying with the Hatton clouters. He allowed only one hit, a single by Nelson in the second inning. After that, not a Hatton batter reached first base. A spectacular meat-hand hair raiser by Alfson in left field and another one-handed spear by Ringlee at short were thrillers and spoiled sure enough hits.

The game was called on account of rain after two Hatton batters were retired in the eighth inning.
