

An enthusiastic base ball meeting was held last Saturday evening at which a large number of fans attended. The concensus of opinion was that Binford be represented with a good team, which means the hiring of two pitchers, and possibly an infielder. The other positions will be filled by local men. Oscar Greenland was re-elected manager, and L. P. Larson, secretary-treasurer. A committee composed of C. E. Peterson, Dr. Ringlee and L. P. Larson was appointed to devise ways and means for financing the team. The Times will report the progress made in later issues.
