

SUTTON PLAYS HERE MONDAY

**BASE BALL GAME, MOVIES AND
DANCE GOOD ATTRACTIONS
FOR MAY 17th.**

The opening game of base ball on the home grounds will be played next Monday afternoon, beginning at four o'clock with the Sutton team.

Manager Larson has slated Besse to work in this game. Kingsley will pitch against Hannaford Sunday. Besse was a winner when he faced the Sutton aggregation two years ago and local supporters hope to see him repeat. Another new man will be seen in action. This player comes from Shell Lake, Wisconsin, recommended by Besse as a first class felder and a good batter. He will play shortstop.

The playing field will be worked into excellent shape for the opening game, and there are other improvements contemplated which may be completed by that time. The most important of these are scoreboards to be erected on both sides of the field, so that it can be seen from any point, showing the teams at play and the score by innings.

In the evening a special moving picture show will be put on. "The Desert Scorpion" has been selected. This is a six reel feature starring Edmund F. Cobb and Vida Johnson. After the show a dance will be given for the benefit of the base ball team.

Mark the date on the calendar—Monday, Syttende av Mai—it's a holiday. Plan to spend it in Binford.
