

BASEBALL TEAM IS ALL LINED UP

SEASON WILL BE OPENED AT
HANNAFORD, ON SUNDAY,
MAY 16.

Manager Larson, of the baseball team, has practically completed the line-up for the ball team, and will be ready to open the season with Hannaford, on Sunday, May 16, at that place. It was his intention to play the opener on the home ground but changed his plans so that the team will be home the following day, the 17de Mai, when it is expected that other attractions will be put on in addition to the base ball game. Nothing definite can be said regarding this program, except that it is intended to have Lieutenant Earl Fladeland here with his aeroplane, a special moving picture show and a big baseball benefit dance in the evening.

Mr. Larson has signed up two good pitchers in Milo Kingsley and Frank Besse. Both of these boys are hard and willing workers. Milo is so well known to Griggs county baseball fans that an extended introduction is unnecessary. Altho he has "thrown the hooks" into us altogether too frequently there is no more popular ball player with Binford fans than this same Kingsley. Besse comes from Shell Lake, Wisconsin. He is also known to base ball in this section, having pitched for Binford during the season of 1918. Frank has a good assortment of "stuff", and is a dangerous batsman.

There are several candidates for the catching position. LaGrow, Alfson, Olson and Ringlee will be given workouts behind the bat and, it is believed that among them, a regular can be chosen so that no expense will be incurred in that department.

The infield will be the strongest in years, with Ehlers on first, Doc. Ringlee on second, Johnson, short, and Alm, third. There's a classy fielding quartette, strong and consistent hitters. For the outfield positions there are a number of men to select from, among whom are one of the pitchers, Peterson, the two Alfsons, Thorn, and Olson.

The outlook at present is very promising for a very successful season.

Manager Larson has completed his schedule for Sunday games—up to July 18th—and it is very probable that some double-headers will have to be played. The week-day games have not been fully arranged for, but this will be done in a short time and announcement made through The Times.
