

SUNDAY GAME WITH McHENRY

ANOTHER FINE GAME WILL BE
PLAYED ON THE LOCAL
GROUNDS SUNDAY.

Binford fans are assured of another good game of base ball on the home grounds next Sunday afternoon, at three o'clock.

This time the McHenry team will play here. Manager Whalen of McHenry, has practically a full salaried outfit representing that town, and among them are players with good reputations in semi-pro base ball. We have 'em here, too—minus the salary.

Rumors are drifting down from that direction that Binford is due for a good cleaning. It is said that McHenry is some chesty because of the victory over Cooperstown last Sunday, and they propose to repeat it again at our expense.

They shall not pass, say we.
