

## Binford Won From Cooper.

The Binford ball team continued its winning streak, when the Cooperstown team was defeated by a 7-2 score on home grounds, Tuesday evening. The game was devoid of interest.

Borchardt pitched the first five innings for Binford and allowed two hits and no runs. Ellingson finished the game and allowed four hits. Thielman lasted five rounds and was touched up for seven blows. Slyter relieved him in the sixth.

The locals counted three runs in the second frame on a combination of hits and errors. One more was annexed in the fifth on clean hitting and three in the eighth. Cooperstown's two runs came in the eighth frame when they bunched a single, a threebagger and a single.

We have Slyter's word for it that the only feature of the game was his own three-bagger. Aside from that Manager Paulson and the other Cooper boys requests The Times to refrain from further comment. So be it—heres the score:
