

ALL IS READY FOR BIG PICNIC

**GOOD PROGRAM OF BASEBALL,
WATER SPORTS, HAS BEEN
ARRANGED**

Tomorrow, Friday, promises to be a big day at Red Willow lake.

The Binford Community club is determined to make this event a regular, old-fashioned get-together affair before the busy harvest season, and the program for the day assures success for their undertaking.

The schedule for each event has not been decided upon, but it is presumed that the indoor baseball game between the fats and leans will be first on the program, immediately after the noon hour, to be followed by the regular game by the town and country team. The players for this game will be selected from the line-ups of the Sutton and Binford teams. The Times has picked a line-up for each team, but some changes may be made:

Farmers—S. LaGrow, catcher; Kingsley, pitcher; P. Hafner, first; Ehlers, second; C. Hafner, short; Johnson, third, and Wickham, Koenig, Olson, E. LaGrow, and Fallen, outfield.

Town—A. Ringlee, catcher; Olstad, pitcher; A. S. Alfson, first; E. Ringlee, second; Melgard, short; Alm, third; and A. Alfson, Daniels, Davidson and Peterson, outfield.

These line-ups are pretty evenly matched, tho' it must be admitted that the country boys have much the best pitcher. However, we town "guys" believe we have the stronger hitting club—but we need to have.

At any rate, the contest should prove to be an interesting one.

After the ball game will come the

tug-of-war between the north and south, with the railroad track the dividing line.

Then follows the water sports such as swimming diving, boat races, etc., in which all may enter.

Prizes have been offered by the business men of Binford and others to the two winners on each contest. This feature should prove very interesting, as it is the first of its kind held here. Below is the list of prizes:
