

Home Talent Play a Success.

A creditable performance of the four-act drama, "A Noble Outcast," was given in the opera house last Friday evening by members of the Binford Dramatic club. Each character in the play was ably fitted to carry his or her respective role, and the interest in the story was not allowed to flag for one moment. Numerous interesting situations were involved in the plot, and taken all together each player gave able assistance in bringing out a harmonious production. The show was also very successful from a financial standpoint, and the club feels well repaid for the efforts expended in putting it on.

The scenery was especially prepared for the occasion, and the stage furnishings added much to the success of the play. Mr. Moen is the artist who did the decorative work.

Special features were the singing by Dr. E. F. Ringlee, and Miss Florence Greenland who rendered solos, and songs given by a group of young folks, during the intermissions. A specialty acted by the two H. B. Hansons afforded much amusement.

The receipts of the play amounted to \$125.00 while the sale of dance tickets brought \$39.00.
