**The First Number of the Community Programs Will be Given Wednesday and Thursday.**

The DiGiorgia Quartette, consisting of father, mother and their two charming daughters, is an unusual combination of musicians of the first grade. Mr. DiGiorgia is a musical director of national reputation. Every member of the company is an artist, while their ensemble offerings are most delightful.

Hon. C. D. Moss, the lecturer, with this organization, is a most exceptional platform speaker. A winning personality; a contagious humor; and a sparkling wit render Mr. Moss a most unique and forceful orator.

Hear them at the Community Programs to be held in Binford, Wednesday and Thursday nights, October 29 and 30.
