

# GOOD NUMBERS ON PROGRAM

**Rudolph Swiss Entertainers and Lec-  
turer Eastman to be Here  
This Week.**

A slight change has been necessary for the community programs to appear in Binford. As advertised, the first program was to be given Friday afternoon, but because of the fact that the troupe appears in McHenry on Wednesday and Thursday it will be impossible to have the Friday afternoon program here, owing to the lateness of the hour of train service from the west. It is very probable, however, that the Swiss Entertainers will render a few selections at the Sons of Norway entertainment Friday evening.

The first regular program will be given Saturday afternoon, and Saturday evening, the second. There will be no movies. A Sunday afternoon program will conclude the series.

Joel W. Eastman comes to us with an established reputation as a platform lecturer and community worker. He is a lawyer by profession but a community lecturer by choice.

Although Mr. Eastman spent fourteen years in the practice of law he declares that he has had more real joy in one month delivering community lectures in the Northwest than in all of his years in the legal profession.

Under the management of the Affiliated Lyceum Bureaus and the Ellison-White Chautauqua System, Mr. Eastman has lectured in all parts of the United States. He was attracted to the Northwest by the work being done by the work of the Federated Community Association.

Music lovers and the folks who enjoy hearing a real orator deliver addresses on timely topics are promised two big days, Saturday and Sunday, February 28 and 29, when the Federated Community Association presents Joel W. Eastman, lecturer, and Rudolph's Swiss Entertainers as the third group of attractions on our series of Community programs.
