

WILL HAVE COM- MUNITY SERIES

BINFORD CITIZENS GUARANTEE PROGRAMS FOR ANOTH- ER YEAR.

The series of Community entertainments offered by the Federated Community association of Fargo will appear in Binford again, next winter. This was made possible by the signatures of 30 of our citizens to a contract, calling for the entire series, consisting of twelve programs.

The programs during the past season were highly satisfactory except from a financial standpoint. The committee of 20 guarantors were obliged to make up a deficit of \$9.10 each, but this shortage of funds was due, no doubt, to the extreme severe winter, which kept many of the rural folks from attending.

It is very probable that the series next season will be even better than previous ones. The Federated Community Association has become a national organization, and with better chautauqua connections, they will be in a position to secure the best possible talent.
