

NEW BUILDINGS ARE GOING UP

**Extensive Improvements Are Being
Planned in Binford and Sur-
rounding Territory.**

It has been apparent for several weeks that there would be a considerable amount of building in Binford and vicinity this season. New dwellings, new barns, new roofs and new porches, and other improvements are putting in appearances here and there and clearly indicate a busy season of general improvements ahead. Herman Osen, salesmanager for the Thompson Yards, has already sold a number of lumber bills which he reports as follows:

Willow School District, new school building, north of town, known as the Swen Gilbertson school.

John Knapp, modern, up-to-date home.

Louis Tweed, circle roof barn, 36x72, with 12 ft posts.

Oscar Greenland, modern farm home for Willie Olson.

H. B. Omdal, addition and repairs for farm home.

Julius Thorn, addition and repairs for remodeling his house, making it modern.

John Jacobs, additions to home.

Gilbert Gilbertson, addition and repairs to barn.

John Pederson, addition and repairs to barn.

A. J. Boisjolle, new barn.

Ole J. Hanson, house and barn on farm north of town.

P. J. Finstuen is erecting a Thompson Indestructible Silo.
