

GOOD PROGRAM FOR NEXT WEEK

Community Quartette and F. Osten-Sacken, Lecturer, Will be Here Monday and Tuesday.

Two big community booster days and the third big number of the Community Programs will be held in Binford on Monday and Tuesday, April 14 and 15.

Many merchants of Binford will offer special community day bargains for those days, and the Community Quartette and Dr. F. Osten-Sacken, lecturer, will present three clever and entertaining programs.

The first program will be given on Monday evening at 8 o'clock, the second on Tuesday afternoon at 3 o'clock and the third on Tuesday evening at 8 o'clock. Dr. Osten-Sacken a lecturer of experience and ability will deliver three addresses on community co-operation, neighborhood partnership, advertising and the trade-at-home principle, and he has a message which no one in the community can afford to miss. The Community Quartette will furnish entertainment and amusement for young and old. At the Tuesday afternoon program High school students and pupils of the 8th and 7th grades will be admitted free.

This movement has for its object the development and up-building of our rural and small urban communities, the promotion of better merchandising methods and advertising and of co-operation and a better understanding between the merchants and the people of the community, the transacting of community business thru community channels and the development of the social life of our communities in order to make them better, more congenial and more prosperous places in which to live and bring up our children.

The movement and the association has the support of the local merchants in each community, which makes it possible to present high-class programs at the nominal admission of 15c and 35 cents, which ordinarily would cost from 50c to 75 cents. The talent is the best that could be secured and is worth going a long ways to hear. Farmers and townspeople have been co-operating to make this movement and the programs a success, and every person in the community is invited and urged to come in on these days to meet his neighbor and his home merchants to become better acquainted and to boost for his home community. Bring the family. They will enjoy it.

PROGRAM

Dr. F. Osten-Sacken, Lecturer, supported by the Community Quartette of Chicago.

Fun and facts.

Songs, Stories, Music.

Monday evening, April 14th at 8 o'clock.

Tuesday afternoon, April 15th, at 3 o'clock.
