BLANCHE SWEET

in the Celebrated English Melodrama, as Player for
Several Seasons at the Adelphi Theatre, London

"A Woman of Pleasure"

A stirring drama of the outposts of Empire,
of the great Zulu uprising under Chief Cety-
goola in British South Africa.

Of a woman who married to escape poverty,
and of her callous husband who wed her to
silence the only witness of his crimes.

And of the handsome mine-superintendent
who fell in love with his brutal employer's
wife.

Depicting savage masherland in the wilds
of British South Africa, with the naked Zulu
lumpis on the warpath—a pitifully small band
of whites guarding the mine—and a hope-
less marriage tangle working to a climax!
