
The Fall of Barbary Coast.

The elaborate seven reel reproduction "The Fall of Barbary Coast" will be shown at the opera house for one day only, Thursday, October 16. It is without doubt the greatest sermon the screen has ever shown. It is based on the recent vice crusade of the Rev. Paul Smith of San Francisco when the fighting minister cleaned out the well known tenderloin district. This picture vividly shows the raid of 300 underworld women on the church, and their question, "What are you going to do with us?"

It shows the methods employed by the ring to acquire their victims, the cafes where innocent young girls are drugged and carried away to their ruin; it shows the downfall of the Underworld Political Boss.

The Authoress of this famous picture, Grace Marbury Sanderson, will personally appear at this performance.
