

roads.

A party of young people from Aneta have been camping at Red Willow lake. Last Thursday afternoon they hiked from the lake to Binford, and after making several calls around town, hiked back again, a distance of about seven miles. The boys and girls were chaperoned by Mrs. Nic Johnston and Miss Nerdahl, and are Mabel Walhood, Irene May, Margeret Overbo, Algretta Hanson, Cecil Tandberg, Wallace Thompson, Robert Cameron, Everet Otteson, V. G. Peterson, Robert and Alec Johnston. This office acknowledges a pleasant call.
