

RED CROSS DRIVE IS ON

ENROLLMENT BEGUN THURSDAY TO CONTINUE UNTIL NOV. 25.

Once a year the Red Cross comes to us for re-enlistment on the roll-call membership in the United States.

The teachers of the schools in Griggs county are conducting the campaign for memberships. If you should happen to be missed you may enroll with any of the secretaries in the county.

This year the date for the roll-call has been set for Nov. 11 and to continue two weeks, Thursday, November 25, being the end of the time set. This, however, does not mean that membership enrollment at any time during the year is not acceptable. In fact, members are enrolled at any time. However two weeks are set aside so that a more thorough canvass may be had.

The Red Cross movement is one of the most commendable organizations of its kind in the world and should receive every possible encouragement, morally as well as financially. It is very necessary however to secure sufficient funds to carry on this great work, and for this reason the financial support is of the first and most paramount importance in order to maintain this nation-wide institution up to its highest standard possible.

There is no doubt in the minds of the people of this county where they stand on this matter. It has always given its utmost to worthy charities and institutions of benefit to humanity, and it is safe to say that it will not be found lagging this time.

It is true that between the East Relief, the West Relief, Children's Home, and other Reliefs and Homes it keeps the average householder pretty busy to help out in all of

these "drives" and "Reliefs," so busy in fact, speaking financially, that quite often his own "relief" at home among his little ones goes by default—for want of much being left over for himself. However the Red Cross does not expect more of anyone than he can afford—at least it should not by those who are soliciting for this great institution of allaying human suffering.

JESSIE NEWS

Allen Ressler, of Jessie, was married to Miss Martha Sella, of Fargo, on Monday, Nov. 15. They arrived in Jessie on the 12:20 train for a short stay with Allen's parents. A number of friends of the groom planned a surprise reception for the newlyweds that same evening and brought along a fine lunch and two very useful gifts, consisting of a carving set and casserole, which were very ably presented by Robt. Thorn. A most enjoyable time was had by all and the merrymaking broke up at a very late hour. It is needless to add that this young couple have the best wishes of all Jessie friends for a long and happy married life.

Bennie Peterson, of Pelican Rapids, Minnesota, is visiting his brother, Palmer Peterson, this week.
