

The entertainment given in the opera house last night by the pupils of the local school was well attended and was a splendid treat to the audience. The program was varied, consisting of songs, drills, recitations, pantomines, and a short one-act play given by the advanced pupils. It is easily to be seen that Binford will have plenty available material to select from when putting on home talent plays in the future. The opening number was the new national anthem, "America, My Country," rendered by the high school. Each number was so well performed that it is difficult to say which was best. However, we might mention the flag drill put on by 16 girls of the intermediate room, which was a beautiful spectacle, which they were asked to repeat. The program closed with a pantomime acted out to the singing of "The Star Spangled Banner," an appropriate climax to a well rendered evening's program. The teachers deserve much praise for the success of the entertainment. The receipts amounted to \$35.60, which amount, less expenses, will be used to buy supplies for the Junior Red Cross.
