## School Notes.

Another record was made here last Saturday in the sale of Thrift and War Savings Stamps. The amount taken in was \$211.71. Four high school pupils were stationed at various places and considering the weather and number of people in town, they did very well. The sum of \$115.25 was taken in by Miss Inez Greenland, stationed at the First National bank.

A Junior Red Cross meeting was held at the schoolhouse Saturday, and work started in earnest. The meetings will be held Saturdays at 2:30, and each member (boys as well as girls) are requested to be present.

A program will be given by pupils of the Binford school at the Opera House on Friday, March 22nd, for the benefit of the Junior Red Cross. The program will consist of songs, drills and short plays which are now being practised.

The Binford school had a legal holiday last Friday as proclaimed by Governor Lynn J. Frazier, for the purpose of canvassing the town to get a census of the men who are willing to work on the farm this summer. The pupils saw most of the men, some of which signed the blank.
