

## School Notes.

There will be no meeting of the Junior Red Cross next Saturday afternoon.

The class in Physiology will meet Monday morning, at 8:30 o'clock.

The school entertainment advertised for Friday evening of this week has been postponed until after the Easter holidays.

An appeal has been made through the schools for clothes which are to be sent to the destitute Belgians. If you have cast-off clothing in good condition, and clean, send them to the schoolhouse, where they will be packed and shipped. Wearing apparel for men, women and children, will be accepted.

Have you any books to send to our soldier boys in the camps? Do not bring books for girls, nor trashy novels, but good, wholesome literature, that a young man would enjoy reading. These books will be gathered at the schoolhouse.
