### **WHICH PLEASE?**

There said a precocious young kid  
Who seldom does what she is bid,  
"My work is just punk  
My exams, I'll all flunk  
If I don't get to work," and she did!

Miss Amundson delightfull entertained the High School pupils with ice cream at the drug store on Monday afternoon. The pupils enjoyed the treat very much, and left cheering their hostess most heartily.

The pupils of the intermediate room surprised their teacher, Miss Rivenes, with a candy shower on Friday afternoon. The latter part of the afternoon was spent in playing games.

The High School pupils, and a number of others, were entertained last Friday evening by Miss Lydia Halling, at her farm home a mile from town. The hours were spent in playing games and singing. About midnight, Mrs. Halling served a delicious lunch, after which the guests departed, all saying they had had an excellent time, which they surely did.

The High School is well on the way to completing their studies and soon will begin reviewing them.

On Saturday, June 7th, the Griggs County Play Day will be held at Cooperstown. The Binford school will take very little part this year, as the time cannot be spared from the studies which are a little behind, because of the "flu" ban of last fall. A great number are planning to be present if the weather permits.
