

An order issued by the U. S. government and effective September 1, reads as follows: Where the telephone rate is \$2.00, or under, per month, \$5.00 will be charged for installing; where the rate is between \$2.00 and \$4.00, \$10.00 will be charged for installing. For moving and changing of telephones, actual cost of labor and material will be charged.—Griggs Co. Telephone Co.
