Dear Editor:

In regards to raising the telephone rates in your city we have tried to place the cards on the table so to speak, and trust that all phone users have taken the time to study the ads that have been run in your paper the past several weeks.

Now, Mr. Peterson, if there is any one that wants to look over our books they are at liberty to do so and we will gladly assist, or should your Commercial club or your Community club or any other organization in your city care to have me meet with them I will do so.

The State Board of Railroad Commissioners have set the date of Mar. 11th, at 10 o'clock a. m., at their office in Bismarck for a hearing in this case and it is up to us to prove in our case.

**Yours truly,
H. A. Brown, Mgr.,
Griggs Co. Telephone Co.**
