

# HEARING WILL BE HELD IN BINFORD

**RAILROAD COMMISSIONERS TO  
MEET IN OPERA HOUSE  
TOMMORROW.**

A representative of the board of railroad commissioners will meet in Binford, tomorrow (Friday) afternoon, between trains, to give further hearing to the telephone rate situation.

The session promises to be an interesting one. Doubtless, tho, the existing differences between patrons and others, and the telephone company will be adjusted.

There is no question but what these differences have effected the growth of the telephone system, especially in this end of the county, and, we believe, all are interested in reaching an amicable settlement. Surely, the railroad commissioners are impartial judges in this case, and we all should accept their verdict, whatever it may be.

Let's end the controversy at tomorrow's meeting.
