

HEARING WILL BE HELD IN BINFORD

BOARD OF RAILROAD COMMISSIONERS WILL MEET IN BINFORD APRIL 9.

The Board of Railroad Commissioners of North Dakota will hold a hearing in Binford, Friday, April 9, beginning at one o'clock p. m., to give further consideration to the telephone situation in this end of the county, continuing the hearing which was held in Bismarck last month. It is hoped that this matter will be finally adjusted and that all parties concerned will be satisfied.

Board Grants Temporary Raise.

The board of railroad commissioners has ordered the following temporary rates for telephone service:

Business service, main line, Binford exchange, \$2.75 per month net.

Business service, main line, Cooperstown exchange, \$2.75 per month net.

Residence service, main line, both exchanges, \$1.75 per month net.

Rural service, multi-party line, \$1.75 per month net.

Bills shall be rendered promptly after the first of the month. Subscribers shall be billed at 25c above the net rate and a discount of 25c allowed on all bills paid on or before the 15th day of the month.

Business extensions, 75c per month net.

Residence extensions, 50c per month net.

Residence desk sets, 25c per month net.

Extension bells, 25c per month net.

No change shall be made in the present temporary rate for service connections and move charges legally filed.

Rural service stations 50c a month net.

The commission has granted this temporary rate until such time as their engineer can make a valuation of the telephone property.
