The special election held last Friday on the question of issuing bonds in the sum of \$8,000.00, for the purchase of the Binford Light and Power plant, failed to carry by seven votes—the vote being 39 against and 32 for. The village board, acting on the petition of five-eighths of the freeholders of the village, passed a resolution at a session Monday calling for the payment of the plant in warrants, same to extend over a period of four years, interest and principal amounting to \$6629.46.
