

An automobile accident, resulting fatally, occurred near Cooperstown last Thursday. Mrs. Nels Arneson was going from her place to a neighbor's and was given a ride by Christ Bolkan, who carries the mail on that route. Near the Sheyenne river the auto skidded, plunged through a fence and turned over twice. Mrs. Arneson either jumped out or was thrown out, and evidently struck her head in such a way that death resulted instantly. Mr. Bolkan was stunned and partly pinned under the car, but when rescued was found to have sustained no serious injury. Mrs. Arneson leaves her husband and four children to mourn her loss.
