

McHenry Tribune: The contract for erecting the fine; new one-story garage building for the King-Bruns Auto company on the lot adjoining the movie hall to the south, has been let to Anderson and Brodshaug. Building operations will begin about April 29th. The hauling of the material and preparing the foundation is going along at a good pace and the building will be pushed to an early completion. When completed it will be one of the finest garages in this part of the state.
