

Large Farm Deal Closed.

Aneta Panorama: The largest land deal that has been closed in this vicinity for some time was closed at the State Bank of Jessie last Friday, when Albert G. Wells, of Aneta, N. Dak., sold ten quarter sections of his land near Aneta to Edward F. Fiebiger and Edward Zimprich of Jessie N. Dak., at \$55.00 per acre, amounting to \$88,000.00.

Mr. Wells had previously sold one quarter section of his land to Arthur Hedström of Aneta, N. D., for \$10,000.00; so that this deal closes out all of his land in Griggs County. He states that he has not made any plans for the future as yet, but will retain possession of the farm until near spring, when he will have an auction sale and dispose of all his personal property and will give possession of the farm about March 1st.

Mr. Wells has lived in Griggs County since 1898 and is one of the prosperous settlers here and has always been interested in the progress of the community in which he has lived. His many friends are sorry to hear of him disposing of his holdings here and hope that he will decide to remain in the community.

Mr. Edward Fiebiger has disposed of his three quarter sections of land near Jessie to his brother Frank Fiebiger, of Casselton, N. D., at \$50.00 per acre and will move onto the Wells farm in the spring. His many friends near Jessie are sorry to hear that he is going to move, but hope that he is making a change for the better.

Mr. Zimprich will retain all his land near Jessie and buys one section of the Wells farm as an investment, as he figures that Griggs County land cannot be beat as an investment.

All parties concerned feel that they have made a good deal and we wish them all success.
