

A real estate deal was made last week whereby Theo. Ethen purchased Pete Gorthy's farm west of Binford. Mr. Ethen will hold an auction sale, Friday, October 1st, to dispose of some of his stock and machinery before moving onto the Gorthy place. A reader of Mr. Ethen's sale appears in this issue. Ben Carpenter has leased the Evers land vacated by Mr. Ethen. Mr. Gorthy, we understand, plans on going to the coast this fall.
