

and consult a doctor.

Hannaford Enterprise: At the meeting of the stockholders of the Griggs County Creamery Association held in the Hall last Saturday a board of directors consisting of Walter Hemmingson, Arndt Njaa, Henry J. Hagen, John Watne and Louie Peterson was elected. This board will have a meeting some time this week and organize and elect officers. It was also decided at the stockholders meeting to continue the operation of the creamery, and a truck will be purchased and a driver hired to drive around and collect the cream. Routes will be laid out so that every farmer, who has cream to sell, will be visited every other day.
