

BIG MEETING NEXT WEEK

**Will Organize County Development
League in Binford Next
Tuesday.**

Next Tuesday, December 11th at 2:30 p. m. there will be a big immigration meeting in Binford. The object of the meeting will be to promote the organization of the Griggs County Immigration and Development Association in this section of the county. The organization is working in conjunction with similar organizations all over the state in a state-wide effort to promote immigration from the older settled states to our state and thus supply North Dakota's greatest need of more people.

One of the principal speakers of the occasion will be Mr. C. C. Conolly of Devils Lake who is actively engaged in organizing the entire state in this movement. It is a movement in which every citizen of this part of the county should be interested as it has long been an established fact that the greatest need of North Dakota is more people on the farms, the farms divided up into smaller tracts with more intensive cultivation, and the introduction of corn and alfalfa together with stock. As long as the present condition exists this is impossible because of the scarcity of labor, but with introduction of more farmers and the working of the land in smaller units the problem would be solved.

Let us all turn out next Tuesday and boost the movement. It is one for the general benefit of conditions of the community and as general conditions are bettered all will share in the increased prosperity.
