

Everything is "all set" in Griggs county for the opening of the state-wide Salvation Army Home Service Campaign next Monday. Chairman Greenland and his co-workers are ready at the word "go" to work tooth and nail at canvassing the townships, and there is no reason why every township in this county should not go "over the top" in attaining the quota of \$4000. The quota for the city of Binford is \$200.
