

# GRIGGS COUNTY SCHOOL NOTES

Interesting Items of School Activities  
Furnished Our Readers by  
Sapt. Regner.

There are 11 schools which have not reported Junior Red Cross Auxiliaries. We urge these schools to organize as soon as possible. Miss Barnes and her pupils gave a social and made over \$43 which they gave to the Junior Red Cross fund. Miss Dahlin and her pupils also gave the proceeds of their social, \$42.65, to the Junior Red Cross work. We are proud of these loyal little patriots of Addie school district.

The last of our series of school meetings will be held at Binford on Friday of this week. The visiting teachers will observe the work being done in the grades of the Binford school during regular school hours. At four o'clock all will assemble in the high school room for discussion of school problems, gardening and Play day plans, Junior Red Cross work, etc. School officers and patrons are invited to attend this meeting.

Loyalty meetings were held in the schools of this county during the past week. Liberty teams, consisting of one or more speakers and three singers went out to each school community. There were two teams from Binford, one team from Hannasord, one team from Walum and six teams from Cooperstown. The names of those who acted as members of these Liberty teams will be published next week. Members of these Liberty teams deserve a vote of thanks for their enthusiastic, voluntary service. Without their zealous co-operation, our meetings could not have accomplished their purpose. Their inspiring appeals for the protection of all American ideals and principals, for this Liberty we so freely enjoy, for the united support which we owe those men who have gone forth to make the supreme sacrifice for America and for the world, have aroused in us a deeper determination to stand as one giant force in our invincible purpose to make any sacrifice to win. America has never fought except for Freedom. In 1776 we fought to achieve our independence. In 1812, we went to war again to secure the

freedom of the seas. In 1861, freedom from slavery. In 1898, to disengage oppressed Cuba and secure human freedom. Again we are at war—for Liberty—for Freedom. Our duty of the hour is to maintain and uphold the American spirit, to give our all to win this war for human freedom and universal democracy.

Money, Food, Americanism can win the war. We who stay at home must prove our Americanism by helping in every possible way. We must save and conserve our resources, we must use all possible productive energy to provide equipment for the brave men who are engaged in the great struggle for freedom. When that struggle shall have ended and the returning ships bring back our heroes, their ranks somewhat thinned by sacrifice but with themselves glorified by the services they have rendered, when they tell us they have won the fight for democracy in Europe, may we be able to tell them that we have kept the faith of democracy at home.

The Liberty Loan bonds will be offered next week. Let everyone feel this duty of the hour, his and her duty.

Buy Bonds. Third Liberty Loan.

## School Entertainment

The teachers of our school are putting in long hours these days drilling the children for their parts, preparatory to putting on a school entertainment next Wednesday eve, April 10. This entertainment is given to raise money to carry on the work of the Junior Red Cross. The small sum of 25 cents and 15 cents will be charged.
