

Griggs County School Notes

All but fifteen of our rural schools have closed for the summer vacation therefore we will not have very many school notes to report during the coming weeks. We have urged the children to continue their War Service activities during the summer months, under the direction of some one in the community who is interested in the children's work. A great number of schools will continue their Red Cross work, War Savings Service and Boys' and Girls' Club Work.

The Eighth Grade completion examination will be given at Binford Sutton, Hannaford, and Cooperstown on Thursday and Friday, June 27th and 28th. All pupils planning to take the examination must write at one

of these four places designated. The Eighth Grade commencement will be held the first week in July. Definite arrangements will be announced next week.

If there are any pupils who have not received their instructions for their club work, please write to this office and it will be sent to you.

June 28th is War Savings pledge Day, and during the week beginning June 24th, a series of meetings will be held in all school communities of the county. The schedule of meetings will be announced next week. Loyalty Teams will be organized and the meetings will be conducted similar to the ones held before the Third Liberty Loan. Cards announcing the time and place of these meetings will be sent to each family in the community where the meetings are being held. We urge your attendance and cooperation at these meetings.
