We now have twenty-nine Junior Red Cross School Auxiliaries. Once more we urge the schools to organize as quickly as possible.

The Binford school have a novel way of raising the amount necessary to complete the organization of their school auxiliary. They will have a Tag Day and every citizen will be tagged and asked to pay ten cents for the privilege of wearing a Junior Red Cross tag. Other schools are using part of the money received from basket socials.

Blanks have been sent to all the schools to be used for the Farm Labor and Crop Survey on March 8th and 9th. We ask the cooperation of the farmers in making this survey a success and supplying the information requested by the State Department of Agriculture and Labor.
