

ANOTHER CALL FOR FOUR MEN

**June Draft Men Will Go to Camp
Dodge June 24---Three Rejected
at Camp Lewis.**

Griggs County has been asked to furnish four more men for the military camp. These men will be sent to Camp Dodge and will probably be ordered to report to the local board for roll call June 23.

In addition to the four who will go to Camp Dodge, three more men will be called to be sent to Camp Lewis, to take the place of three from this county who were rejected among the May contingent. The rejected men are Oscar A. Sonju, Thorval H. Vissing and Borre Hanson Sougstad.

A call for volunteers from men in Class One, but qualified for limited service only, has been issued. There are about fifteen men in this classification in Griggs county.

The present call is to provide men for the army and navy spruce production. It includes engineers, draftsmen, electricians, automobile and truck drivers and repairmen, telegraphers and linemen. No registered men qualified for military duty will be accepted in this contingent. The date when these men will be called has not been announced.
