

WILL ARRANGE FOR FALL HELP

**Series of Meetings to be Held to Set
Wage Scale—Provide Means
to Secure Laborers.**

County Agent Jackson has called a series of meetings in the county for the purpose of arranging for the necessary farm help for harvest and threshing. At these meetings a scale of wages will, in all probability, be set for the county.

Every farmer should make an effort to get out to one of these meetings.

A labor leader will be elected in each community. The farmer can communicate his need for help to the labor leader who will communicate with county the agent. The county agent will then be in a position to get the necessary help from the government employment bureaus. Men can be thus shifted from one part of the county to another as the call demands.

State Leader Pollock and County Agent Jackson will be present at the meetings to be held at the following places:

Sutton, Tuesday Aug. 6.

Binford, Wednesday Aug. 7.

Jessie, Thursday Aug. 8th.

Hannaford, Friday Aug. 9th.

Cooperstown, Saturday Aug. 10th.
